My Dear and Most Respected Sir,

This letter is
just to thank you very, very, very
much for all that you have done
for Daddy.

He could not possibly have
had a more fitting send off than
the one you gave him sir. Daddy
wouldn't have asked for anything
more.

Thank you also very, very, very
very much sir, for standing by
Mummy in her time of need.

Yours most humbly,

Plt. Offr. Hari Naidu
